

Dear Parents/Guardian

Please find attached guidance from DENI. Please also note that some of the information contained within this guidance has already been superseded by further announcements yesterday.

You will also be aware that some public examinations have been cancelled including GCSEs in Mathematics and English. Examinations in Travel and Tourism and Applied Business have also been postponed. BTEC/ Applied examinations may be rescheduled for later in the year, however, it is essential that coursework in these subjects is continued to be completed even during lockdown.

The school will continue to provide remote learning until it reopens and we will update you as soon as we are made aware of the alternative processes to award qualifications at GCSE, AS, A2 and BTec/Applied level.

Thank you for your patience and understanding.

Yours sincerely,

Kevin Martin  
Principal
