

Name: \_\_\_\_\_

Class: \_\_\_\_\_

This is the ‘**second trawl**’ sheet where you confirm your choice for your Key Stage 4 pathway and then tell us which subjects you would like to study in that pathway based on the blocks provided.

**This is your final subject choice.** Your choices will be discussed with your parent(s) / guardian(s) and with your teachers at the **online parent-teacher meeting on 11th March 2021.**

In choosing your subjects you must consider the information in the **options prospectus** as well as the following:

1. All students must study Religious Education, English, Mathematics and a Science. All pupils will have non-exam PE on their timetable, though PE is also available as a GCSE Option.
2. English Literature is a mandatory subject for those choosing **Pathway 3**.
3. All students must study at least one Science. Those in Pathway 1 must choose Applied Science. Both Single Award Science and Applied Science count as one option / GCSE equivalent. Double Award Science counts as two options / GCSEs.
4. Only those choosing Pathway 2 or 3 can choose Double Award Science.
5. It is recommended that all students study a language other than English.
6. Pupils are likely to be in a new form class in Year 11 as this is based on which pathway they have chosen.

### **Additional Information**

- You can only select one “IT” option – the OCN NI Level 2 in IT **OR** GCSE Digital Technologies (Multimedia) **OR** GCSE Digital Technologies (Computing).
- You can only choose one “Food” option – Occupational Studies Contemporary Cuisine or GCSE Food and nutrition.
- You can only choose either Travel and Tourism **OR** Geography.
- All subjects offered are GCSE unless marked as “Level 2” which have GCSE Equivalencies.
- Universities may not accept Occupational Studies as equivalent to a GCSE though they will consider it as part of your academic profile.

I have read the information, what do I do now?

**Step 1 – Confirm the pathway you will be following: pathway 1, pathway 2 or pathway 3 carefully considering your interests, skills and abilities. Check carefully which subjects are not available in each pathway.**

**Step 2 – Choose which additional subjects you want to study from the blocks shown within your chosen pathway.**

**Step 3 – Pupil and Parent sign and date the sheet for your chosen pathway and email to Mr Brown.**

# Pathway 1

For pathway 1 you will be studying Occupational Studies (worth 2 GCSEs) at the SRC one day per week.

Your science choice has been made in Block A, Applied Science.

Now choose one additional GCSE that you want to study from table 1 below from Block B.

A Prince's Trust Certificate has a point value equivalent to 2 GCSEs.

<b>Block A</b>	<b>Tick</b>	<b>Block B</b>	<b>Tick</b>	<b>Block C</b>	<b>Tick</b>
Applied Science*	✓	Learning for Life and Work *		Occupational Studies *	✓
		OCN NI Level 2 in IT *			
		Prince's Trust *			
		Lv 2 Travel and Tourism (BTEC) *			
<b>Block D</b>	<b>Tick</b>	<b>Block E</b>	<b>Tick</b>	<b>Block F</b>	
Occupational Studies *	✓	Occupational Studies *	✓	Occupational Studies *	✓

Table 1

Please ensure that if you are taking the pathway 1 that you have completed the SRC options sheet for a second time. Mr Brown will provide these sheets on the school website.

Pupils in this pathway will be in one tutor group together.

- \* next to a subject indicates a subject with 50% or more coursework as part of the assessment.

# Pathway 2

## Mandatory Subjects

## Optional Subjects

## Total GCSEs

Choose a science option, Single or Double Award. If you chose DA Science you must tick this in Block A and Block B. Then select the other subjects you would like to study by ticking one subject only in each remaining block. Blue sections are for subjects where you have to make an either / or choice.

Block A	Tick	Block B	Tick	Block C	Tick
Double Award Science <u>OR</u>		Double Award Science		Food and Nutrition* <u>OR</u>	
Single Award Science		Learning for Life and Work *		Occ. Studies Contemporary Cuisine *+	
		OCN NI Level 2 in IT *		Lv2 Engineering (BTEC)*	
		Lv 2 Travel and Tourism (BTEC) *		Further Maths ⊕	
				French	
				Geography	
				Irish	

Block D	Tick	Block E	Tick	Block F	Tick
Business Studies		Art*		Digital Technologies (Computing) <u>OR</u>	
Drama*		Child Development *		Digital Technologies (Multimedia)	
Geography		History		Music	
Moving Image Arts*		PE*		Spanish	
Technology*		Technology*		History	
				Construction*	

Table 2

- \* next to a subject indicates a subject with 50% or more coursework as part of the assessment.
- ⊕ Pupils should have consistently high marks in Mathematics at Key Stage 3 to opt for Further Maths.
- + next to Occ. Studies Contemporary Cuisine – this subject is part of the Occupational Studies suite of qualifications, and will be taught in St Louis.
